She keeps getting her Instagram and Facebook accounts shut down but opens new ones all the time. If anyone has her current usernames, update the list!

In the end, she blocked me. I was buying content for a few weeks but with the last supposed 'pack,' she kept the money and just blocked me.

He kept sending her those hot tiktok vids. At first, it was all good, no money talk, but then she started with the 'I'm hungry' and 'no clients for my lash extensions' and 'I gave all my money to my fam, I'm the one keeping them afloat.' You know where this is going, right? He started sending her cash for food, then she needed money for 'tools' for work. What tools? She doesn't even use a condom lol. Anyway, he's been sending her money for months, dunno how much but it's gotta be a lot. Now he's super down because they've been chatting every day for like 4 months. I told him to just think of it as paying for a fake gf or something, someone who pretended to care and was there to listen. Another heartbroken fool thanks to this crazy chick.</div></div>

I watched the video, and its just awful. Plus she looks completely wasted or high as a kite. sme client from pulse bar who offered her 300 pesos for a bit of fun its probably better for her to do this kind of stuff than to be out there stealing or scamming people not hurting anyone excpt for those of us who saw the video and now want to erase it from our memories haha!

It looked like she had stopped working as a prostitute when she started with that American guy (AFAM), the one she always hung out with. But now it seems like he's not paying her anymore or something, because she's back on Instagram, trying to sell photos and videos again. So, we're going to start seeing a lot of posts about her getting back into those online scams. Classic move!

Bro, you should've done your homework before. Now it's all gone. You could try reporting her on Insta or even hit up the cops, but honestly, it's probably a waste of time. Forget about it, man.

Check the thread, there are others who met her online. After some naked video calls, she always asks for big bucks and then just blocks them. Classic scam.

I'll drop my WhatsApp chat with her. She was always saying someone in her family was sick or some other bullshit, begging for money. She's a pro, dude. Here are some reports about her, but guess how many people aren't saying anything? I bet she scams 4 or 5 people every day. That's a lot of cash. I wouldn't be surprised if she has a mansion in Mindanao. Just kidding, other reports say she just blows all the stolen money on booze and drugs. I really thought with Duterte it was hard to get drugs in the Philippines.

So what next?

Okay, ngl I messed up... y'all were right, she's a total pro, bro 😞. Spent weeks cozyin' up, sharing her 'life story' 😞. Even showed me her 'place'—girl had zero furniture, not even a bed?? Prolly some staged spot for her pity-party calls 🤔. She's a MASTER at faking that ~connection~ vibe. No cap, had me so chill I didn't even Google her first 🤖. A WEEK IN she drops the 'ILY' bombs 🥰 and ik it sounds cringe but... lowkey bought it??

3k php ain't the end of the world, but imagine the poor dude who booked FLIGHTS to meet her??? 120k php POOF 🤖 — blocked RIGHT before takeoff. F. If I'm salty over my L, that guy's probably contemplating his whole existence rn 🤖. How evil do you gotta be to let someone cash out on plane tix just to ghost? 🤖 That's next-level messed up.

Idk man, I'm just... sending virtual hugs to that bro. We got played, but he got DECIMATED. 🥰🥰

Everyone falling in love with her games, but surely she has a Filipino boyfriend making babies all day, and you guys are sending her money like idiots.

### Sisters Scam

Maybe some of you know "Downtown Lounge" or DTL, a bar area near Divisoria. Someone talked about it before, but this girl uses it as one of her hunting spots. I'm from the old school in Mindanao, but my Filipino friends warned me to be careful and showed me this forum. There was a group of girls together, including the one in the thread. I didn't have to do anything; they just came to talk to me at the bar, saying they were sisters. Personally, I don't think they are really sisters, but who knows? Maybe they have different mothers or something like that, you know how things can be in the Philippines. So, they directly offered me a threesome for 1200, all included. They suggested going to a sketchy motel nearby. I can't give more details because my friends told me to be careful with them. Just wanted to warn you that she is hunting around the DTL area now.

So, I've been following this girl for a long time, and some people here already met her. She's in a lot of dating groups, and if you search for "CDO LAKAW" on Facebook, you can find her easily. She's always looking for new customers, haha. You can also find her on Tinder and other apps.

I heard that one guy got sick after meeting her. He used a condom at first, but then he took it off to get a blowjob and put his dick back inside without a condom. I mean, seriously, he might as well have done it in a public toilet to have less chance of getting an STD! This girl is always finding new "clients," but even people who meet her have had fights with her.

She's such a badass. Like, she agrees to meet for 500, and then suddenly she wants 1000 or more. Some people said she asks for a "DP" as a deposit, and after they send it, she just blocks them. Be careful, guys!

Basically, girls stripping for a "competition" – though let's be real, it's just an excuse to get naked in front of 300 blokes. Winner was this girl – fit face, not fit but nice body, totally shaved. Went by "Shantal" or some shite, didn't care at the time. After the show, she zeroes in on me, grinding in this tiny red dress (no bra, obviously), letting me touch her everywhere – and I mean everywhere. Took my wallet in with me (thank Christ), came out 10 mins later – door wide open, bird gone. At first, I just figured she changed her mind. Then Saturday comes. Open my hiding spot for the 320k PHP (£5k-ish) I brought for the wedding... gone. That's when it clicked. The bitch waited till I was in the shower, nicked the cash, and bolted without even closing the door so I wouldn't hear. Proper planned it – knew I'd be gone in days. Went back to Pulse after the wedding, fuming. Bouncer tells me her name's Carla (surprise – not "Shantal"). Asked for CCTV, but they said "police first". Flight was leaving, so I tried reporting it in Manila. Useless. Cops just shrugged – "Go back to CDO". How? I'm already on a plane! First time in the Philippines, and some slag robs me blind.
